2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

At North Park Elementary, we believe all students deserve an excellent education that prepares, equips, and best positions them to prosper in the 21st century global community.

North Park Elementary staff strive to educate the whole child. Our goal is to provide a safe, nurturing, well-rounded education and learning community that meets the academic, social, emotional, and physical needs of all our students. Beyond academics, helping students learn to listen, assess situations, communicate articulately, advocate for themselves, think critically, work together, and navigate relationships is essential. These are the foundations upon which North Park builds its school culture where high expectations, respect, responsibility, academic excellence, and pride resonate throughout the campus.

We believe it takes the entire community – all of us working together – to develop these abilities in our children, empowering them to reach their utmost potential, as they are our future.

Recognized as a California Distinguished School, a Gold Ribbon School, and recognized as one of California's Healthiest Schools, North Park has a positive, enthusiastic atmosphere where children and adults enjoy coming each day. In August, 2021, North Park received a Silver Medal by the California PBIS Coalition for its implementation of Positive Behavior Interventions and Supports. Another Silver Medal was received in September, 2019. A different PBIS award was received in September, 2020, for the support of students and families in 2019-20 school year during the COVID-19 pandemic. At North Park, relationships are very important to our teachers, classified employees, administration, parents, and students. Our belief is that it takes the entire community to empower children to reach their potential. Parent volunteers are integral to North Park's success. We consistently invite parents to participate in our Virtual Volunteer training and look forward to having our volunteers on campus supporting our programs and promoting the expectation that all children can and will learn.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|---|---------------|----------------|-----------------|------------------|------------------|---------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 16.00 | 87.33 | 353.80 | 94.93 | 228366.10 | 83.12 |
| Intern Credential Holders Properly Assigned | 0.60 | 3.59 | 3.60 | 0.98 | 4205.90 | 1.53 |
| Teachers Without Credentials and Misassignments (“ineffective” under ESSA) | 1.00 | 5.44 | 6.90 | 1.88 | 11216.70 | 4.08 |
| Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA) | 0.00 | 0.00 | 2.00 | 0.54 | 12115.80 | 4.41 |

| Total Teaching Positions | 18.30 | 100.00 | 372.70 | 100.00 | 274759.10 | 100.00 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

| Authorization/Assignment | 2020-21 | 2021-22 |
|--------------------------|---------|---------|
| Permits and Waivers | 0.00 | 0.00 |

| Misassignments | 1.00 | 0.90 |
| Vacant Positions | 0.00 | 0.00 |
| Total Teachers Without Credentials and Misassignments | 1.00 | 0.90 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

| Indicator | 2020-21 | 2021-22 |
|---|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.00 | 0.00 |
| Local Assignment Options | 0.00 | 0.00 |
| Total Out-of-Field Teachers | 0.00 | 0.00 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned) | 12.5 | 0 |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) | 10.7 | 0 |

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

School Facility Conditions and Planned Improvements

Students, staff, and parents take pride in our school. Our custodians ensure a clean, safe environment in which learning can take place. Playground campus supervisors work closely with staff to see that children enjoy safe activities.

A district/school safety committee inspects the campus on a regular basis. Students take part in fire drills, lockdown drills, and disaster drills on a regular basis to ensure preparedness in the event of an emergency. A disaster supply bin is maintained on our campus and the disaster plan is updated annually. Staff receives annual training in disaster preparedness, safety training and CPR/First Aid training.ng.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2021-22 | School 2022-23 | District 2021-22 | District 2022-23 | State 2021-22 | State 2022-23 |

| Mathematics (grades 3-8 and 11) | 45 | 47 | 57 | 59 | 33 | 34 |

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

North Park encourages active parent involvement in the educational decisions and processes of our school. Our active and supportive parent community enhances the overall educational experience for all children. There are many opportunities for parents to become actively involved at North Park. Joining the PTA, helping with PTA-sponsored events, assisting teachers in the classroom or on a field trip, serving on the School Site Council, being a member of the English Learner Advisory Committee (ELAC), attending Parent Engagement Nights, or Coffee with the Principal are a few examples of how parents can participate at North Park. These activities are critical in supporting North Park's on-going programs.

2022-23 Chronic Absenteeism by Student Group

2023-24 School Safety Plan

North Park Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Our Comprehensive School Safety Plan is updated annually. The plan includes sections on child abuse reporting, disaster preparedness, suspension and expulsion, dangerous student notification, sexual harassment, dress codes, and hate crime reporting. Fire drills are conducted monthly and earthquake and lockdown drills are held four times each year. The plan was discussed at our school site council and staff meetings in December/January and submitted to the Board of Trustees for approval in March.

North Park Elementary School is a closed campus. During school hours, the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in to our volunteer management system, wear a visitor's badge during their stay, and check out at the front office upon departure.

The Comprehensive School Safety Plan developed under SB187 guidelines addresses each of the following three elements:

- School-wide Positive Behavior Support
- Safe School Environment
- Disaster Preparedness

Professional Development

Since 1988, California has sought to provide intensive learning experiences for beginning teachers. To provide an effective transition into the teaching career for first-year and second-year teachers, programs have been developed statewide and are in use in our district. The Induction program extends individual support and training and supports success in the practice of teaching.

Professional growth activities are planned annually based on current needs and input received from staff. Many workshops on professional effectiveness and classroom skills focus on English Language Arts, Math, and Next Generation Science as well as social-emotional learning and trauma informed strategies. Training on the use of i-Ready has been provided for administrators and teachers to use in the classroom. Diagnostic assessments are given three times a year in math and ELA, and teachers also utilize the i-Ready tool kit for lessons and student practice. Staff development is offered throughout the year centering on technology and its integration in the classroom, including the use of applications in Clever and databases such as Illuminate and Ellevation. Many primary and special education teachers received training in the Science of Teaching Reading to support their students in reading skills. In addition, our teachers participate in professional learning communities (PLC) where they meet in professional learning teams (PLT) to focus on learning, developing a collaborative culture and collective responsibility, and focus on results in an ongoing, never ending cycle.
